2. ([Redacted] - JSW) Alerted Bob Smart, House Armed Services Committee, to the appearance tonight of Mr. Dulles on TV and indicated to him that this was not an Agency matter.

3. ([Redacted] JSW) Talked with J. Don Kerlin, staff of the Senate Post Office and Civil Service Committee, concerning the President's proposal for reform of the Federal pay systems. He indicated some hearings had been held but further hearings are planned for early June and he would venture no comment on the future of the bill, H. R. 10480.

4. ([Redacted] GLC) I have made several attempts to reach a Mr. Lew Miller who was referred to us by William Saltonstall, in the office of Senator Leverett Saltonstall. Miller is a student at American University who wanted an appointment with Mr. McCone in connection with a paper he is writing on Mr. McCone's confirmation. I attempted to contact Miller to give him references to several congressional documents which might be of assistance to him. I have been unable to reach Miller at the University (telephone 966-9887) and he has not responded to the messages which I left for him.

6. [Redacted] - GLC) Talked with [Redacted] Personnel, about developments in the Downey case. [Redacted] advised that Attorney General Kennedy has been briefed by Mr. Helms on the case and has been given several back-up papers. (Mrs. Downey is scheduled to meet with the Attorney General at 10:30 A.M., 2 May 1962.) Senator Thomas J. Dodd will be present at the meeting. (Mrs. Downey has received permission from the Chinese Communist authorities to enter Communist China on 15 May.) In view of the outstanding item to arrange a meeting between Mr. McCone and Senator Dodd, we will attempt to set this meeting shortly after 2 May. This would facilitate our obtaining Senator Dodd's viewpoint on Mrs. Downey's meeting with the Attorney General. [Redacted] in the Director's office, is to give us a date which would be convenient for the Director.
